

FINTECH & FINANCIAL SERVICES

IN WESTERVILLE, OHIO

BUSINESS.WESTERVILLE.ORG

FinTech in Westerville

Westerville, Ohio is a dynamic and progressive city in the heart of the Columbus Region with a rich history driven by purposeful development and a forward-thinking approach to infrastructure. JP Morgan Chase Bank, with almost 5,500 employees in Westerville, is the city's largest employer.

- Municipal-owned and operated electric utility, WeConnect fiber network (including dark fiber), and the nation's first purpose-built municipal data center. This translates to cost savings and ultimate reliability.
- Smart workforce: more than 50,000 workers in the region's finance and insurance sector, with an average annual salary of \$86,380 (significantly lower than the U.S. avg. of \$106,655).
- Unmatched high quality of life: home to Otterbein University and its STEAM center, The Point; the vibrant historic Uptown District; and more than 650 acres of parkland.
- Smart, customer-driven City government with category-best financial management: AAA Ratings from S&P and Fitch.
- Immediate access to a comprehensive interstate system, and minutes away from John Glenn International Airport (CMH) and downtown Columbus.
- Globally Recognized Top 7 Intelligent Community in 2019 and 2020.

Existing FinTech in Westerville

- JP Morgan Chase
- Bank of America
- Fiserv
- Wells Fargo
- Liberty Mutual
- Optum, Inc.
- Meadowbrook Insurance
- Westfield Insurance
